New and Used Equipment - Forums - Demonstrations - See the Latest From

### The Doctor Will Be In!!

QST Magazine's well-known "Doctor" will answer your technical questions live and in person. You won't want to miss this lively and informative session.

Commissioner James Thomas of the Connecticut Department of Emergency Management and Homeland Security will outline the State's Emergency Communications plans, including the role of Amateur Radio.

ARRL Forum with Betsey Doane, K1EIC, CT Section Manager; Tom Frenaye, K1KI,

New England Division Director; and Mike Raisbeck, K1TWF, N.E. Vice Director

**New for this year!** The Nutmeg Hamfest and your Connecticut Section leadership have arranged for an all-day, ongoing and comprehensive demonstration of ICOM's exciting new D-Star technology. Come on out to see it in action and have your questions answered.
